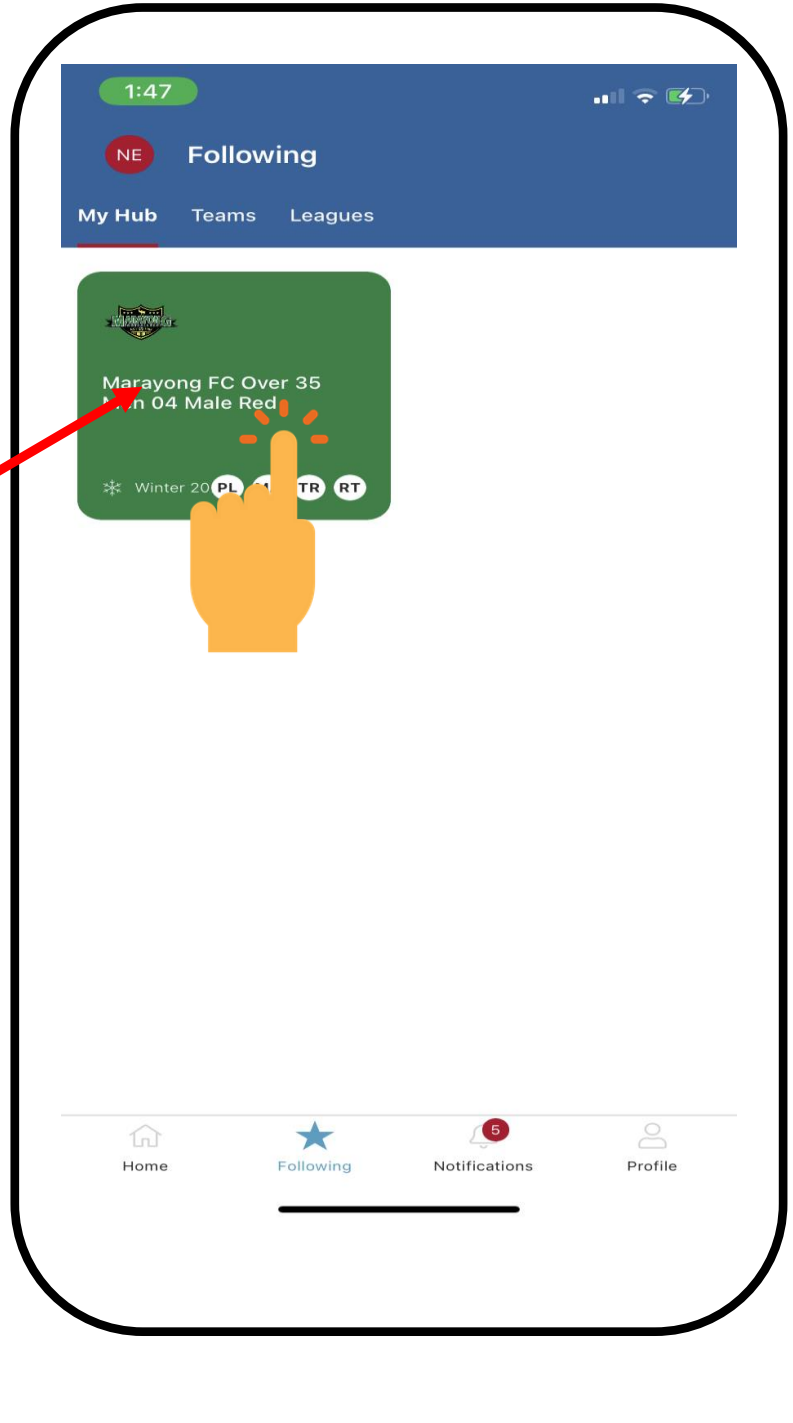
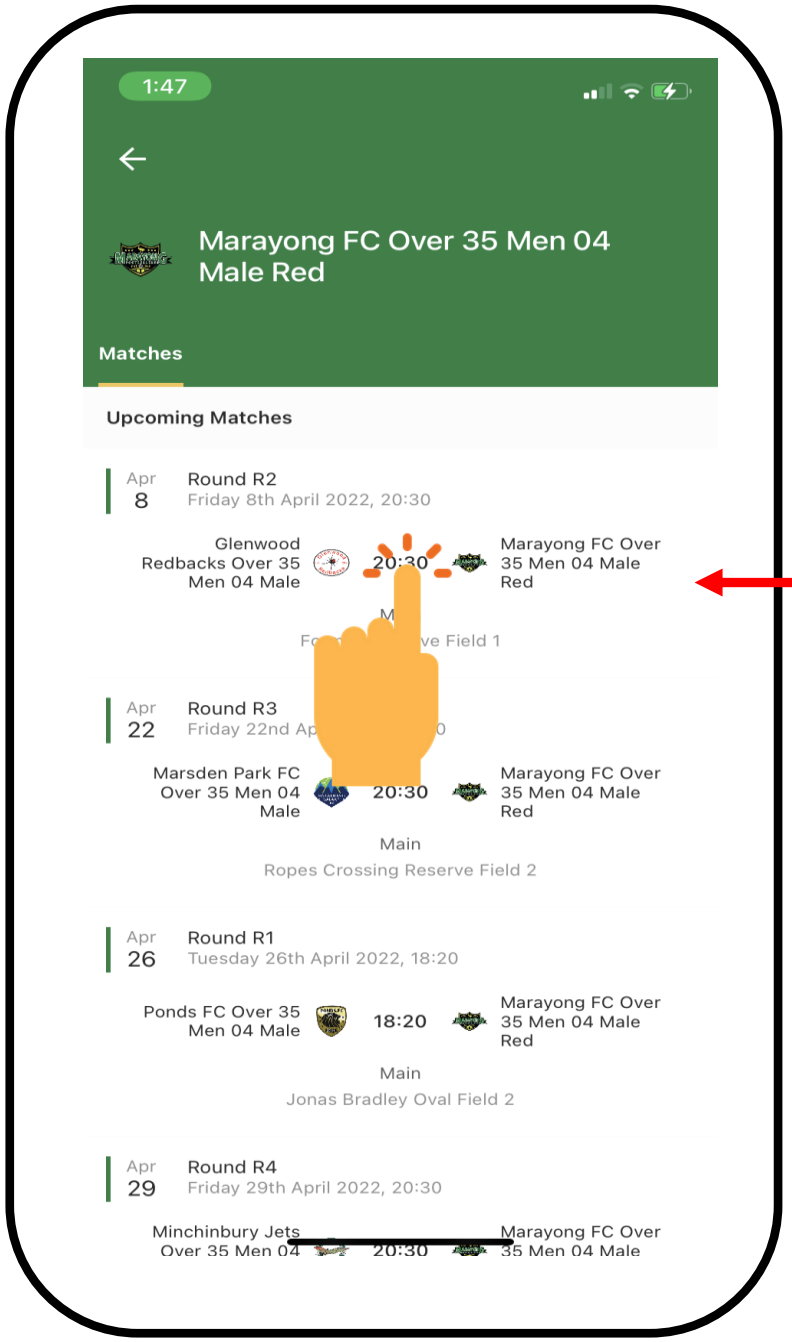
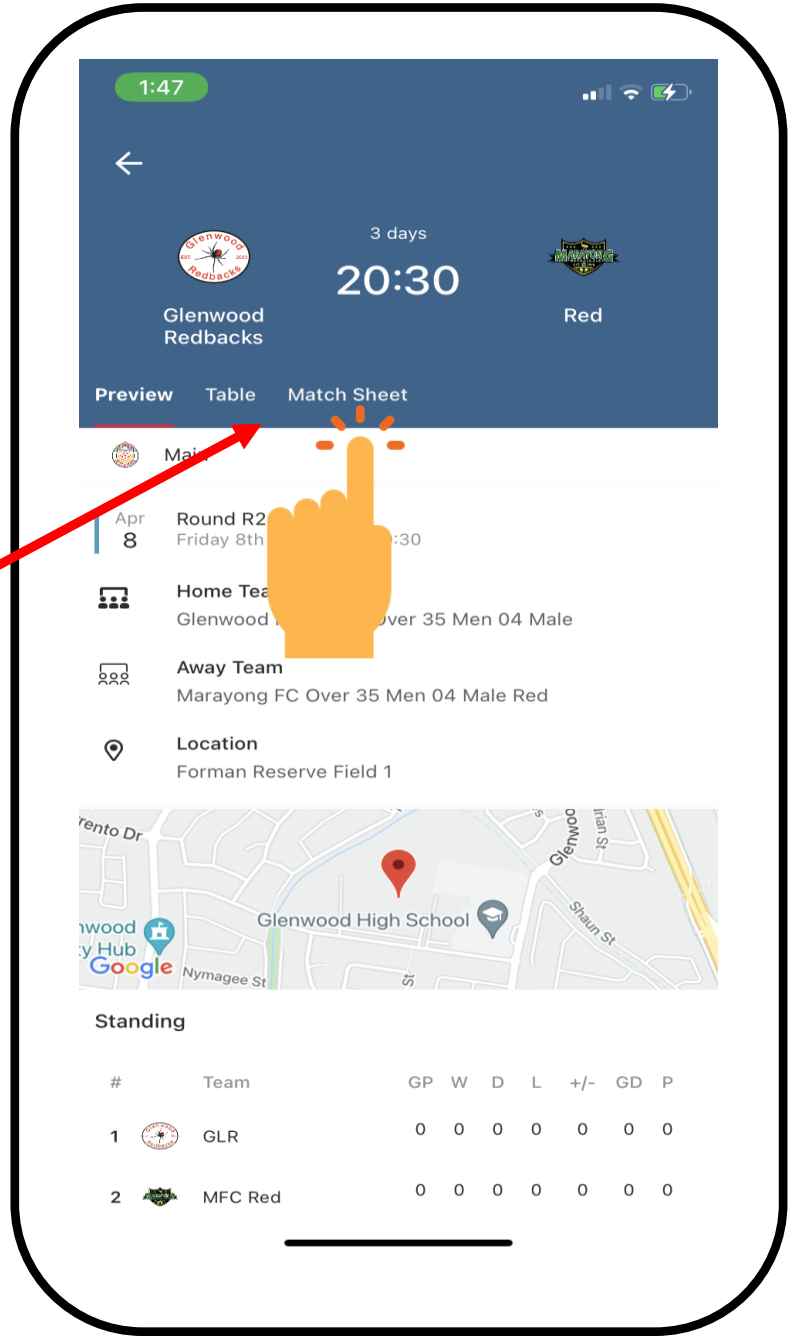
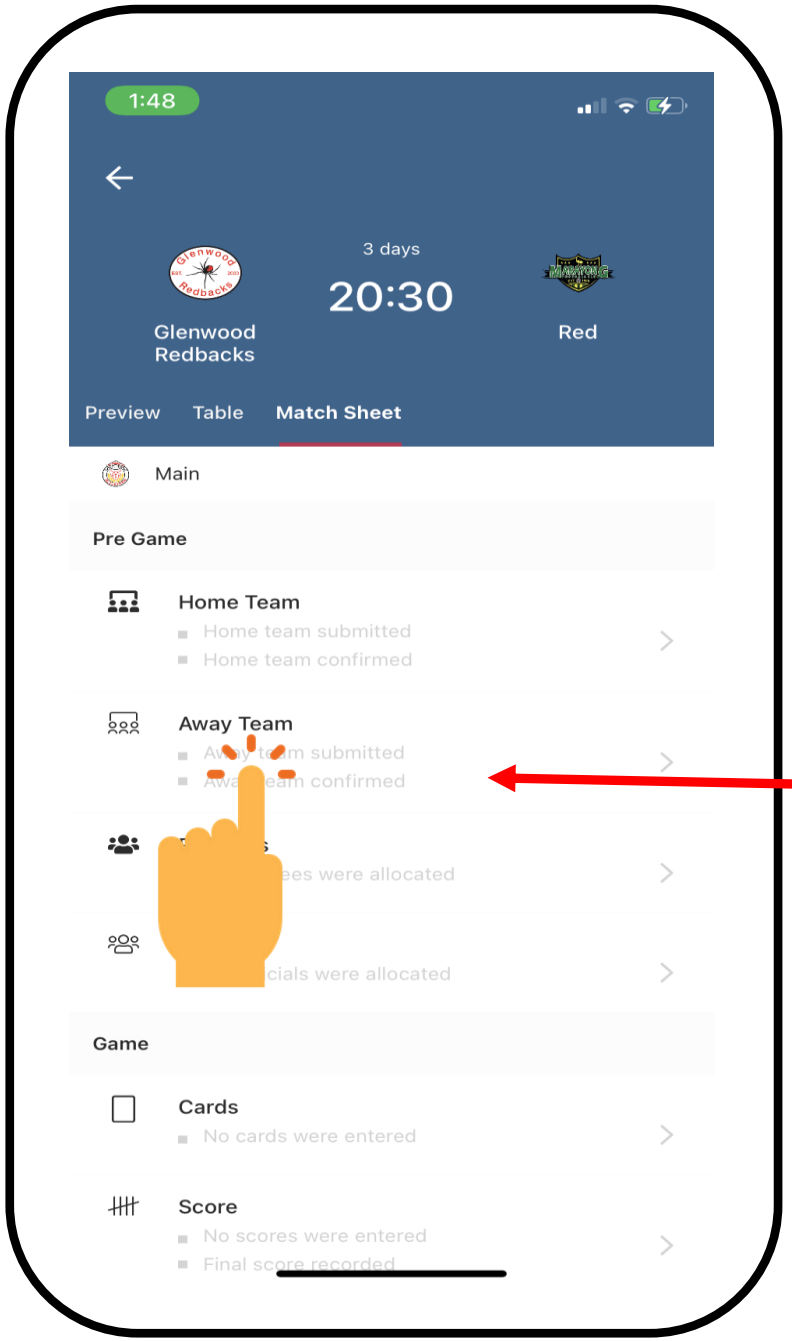
Click on the **“Following”** icon and your team will appear. Then click on your team



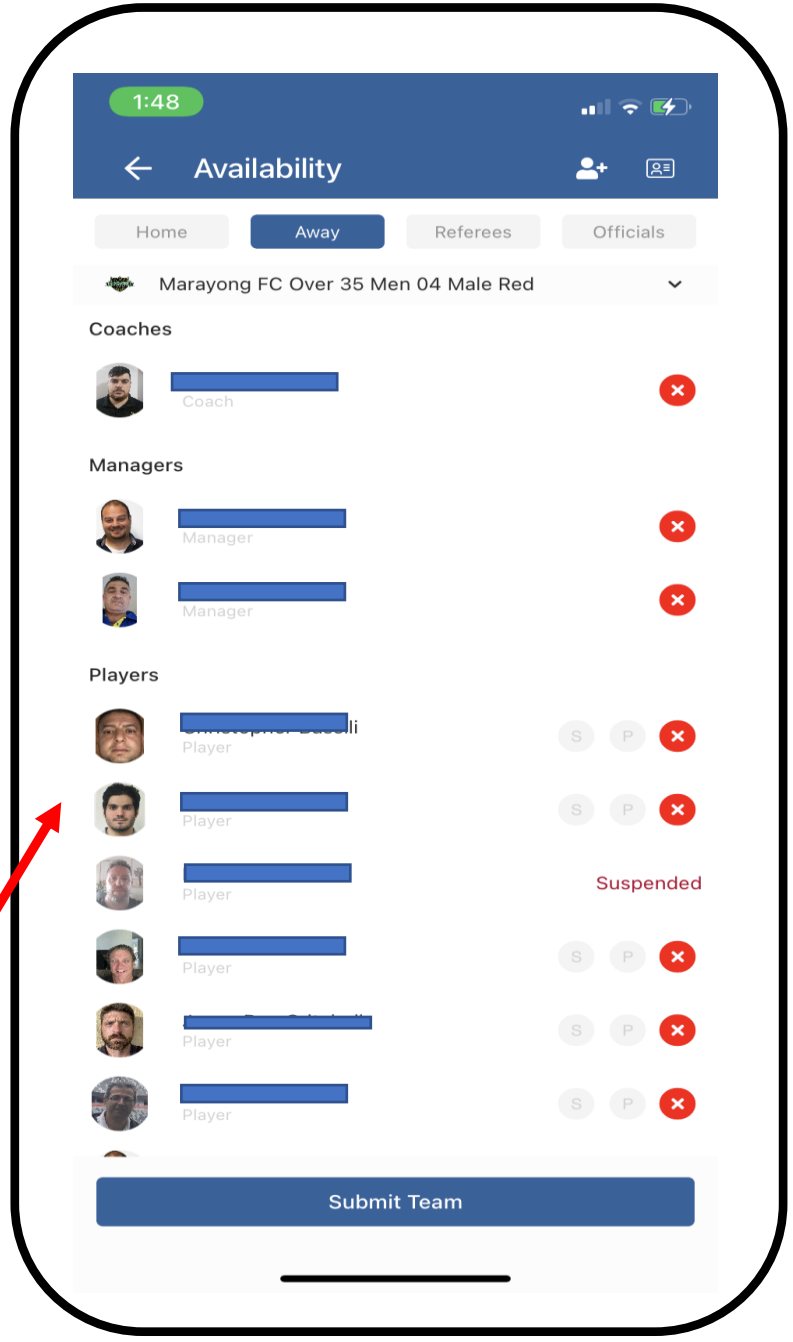


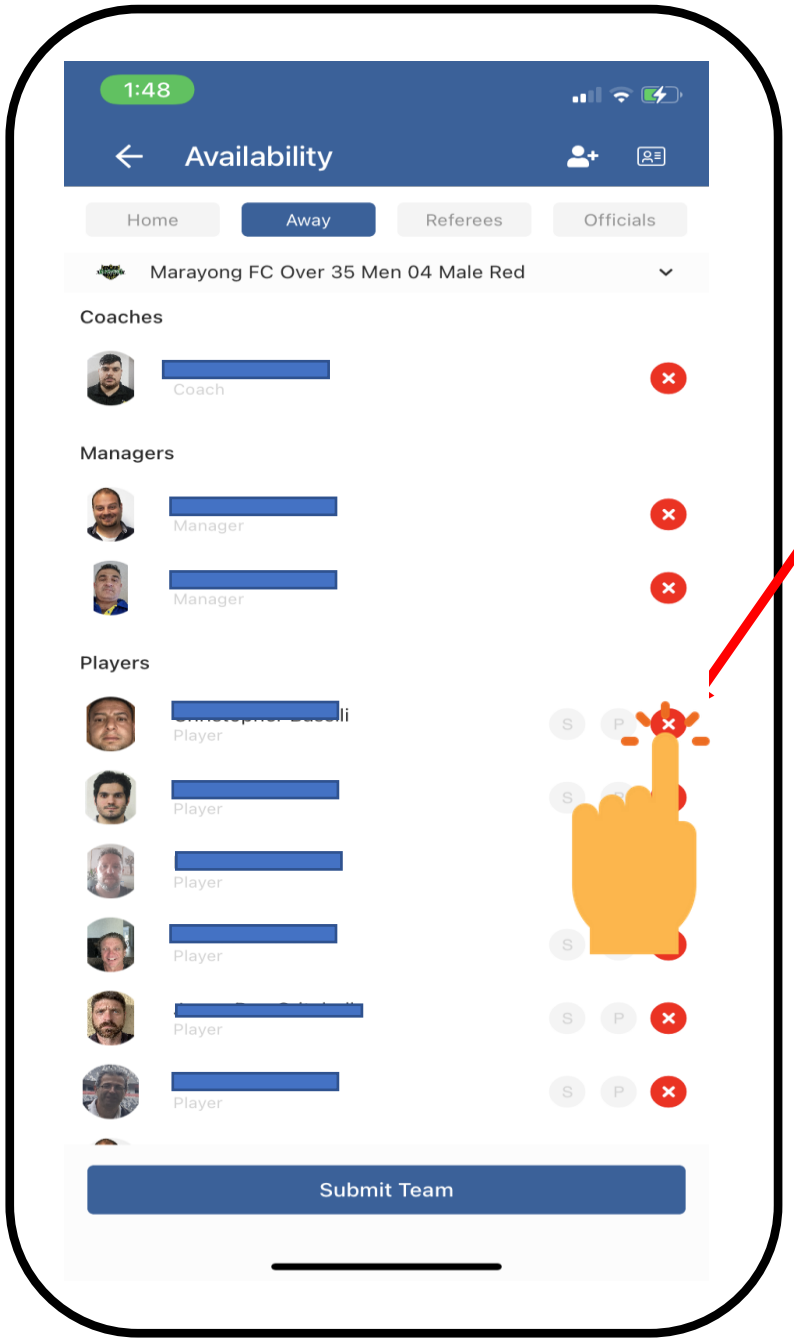
Select the game that you are updating the team sheet for and once open, Click on the **“Match Sheet”** tab





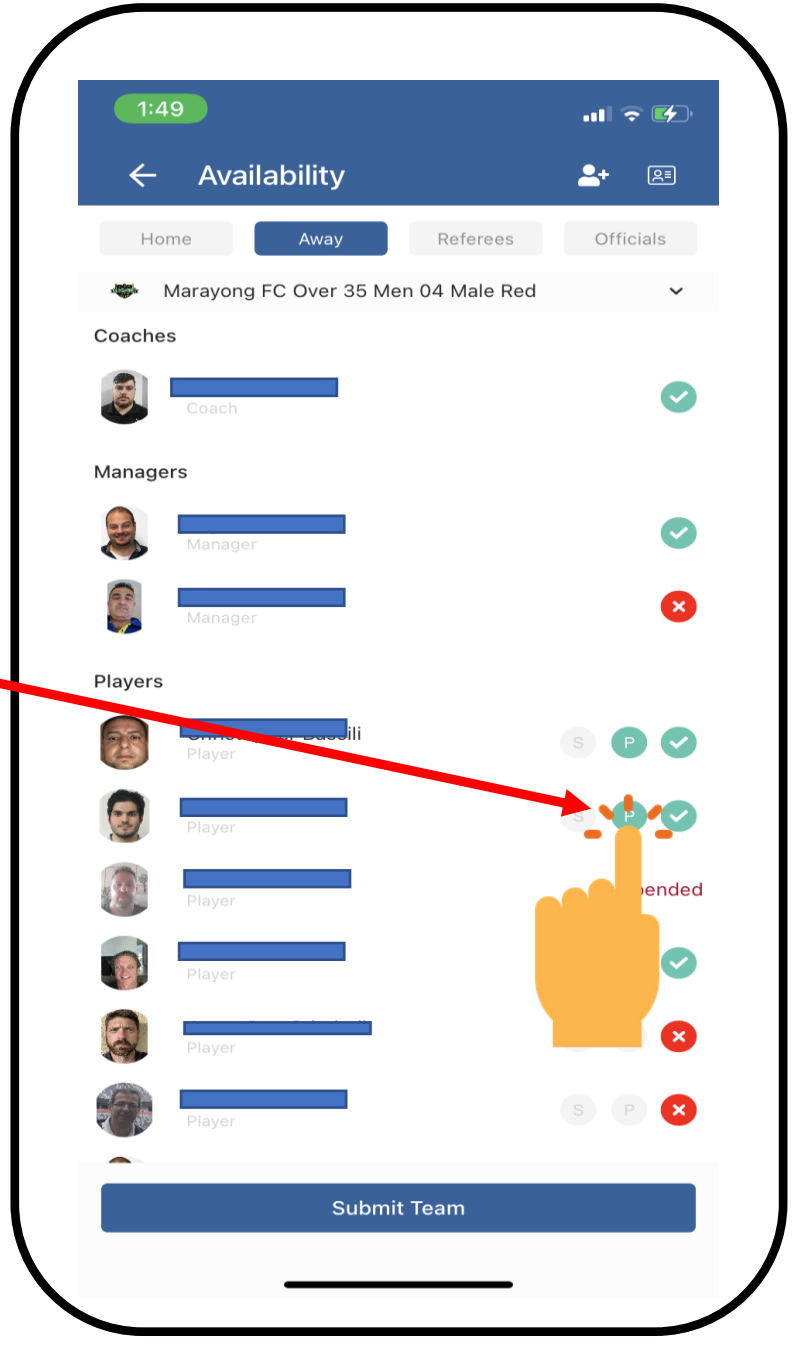
Once the match sheet is open, you click on the “Home” or “Away” Team to update your team sheet. In this case Marayong is the away side – The home side is always on the left up the top of the screen. Then your team sheet will open





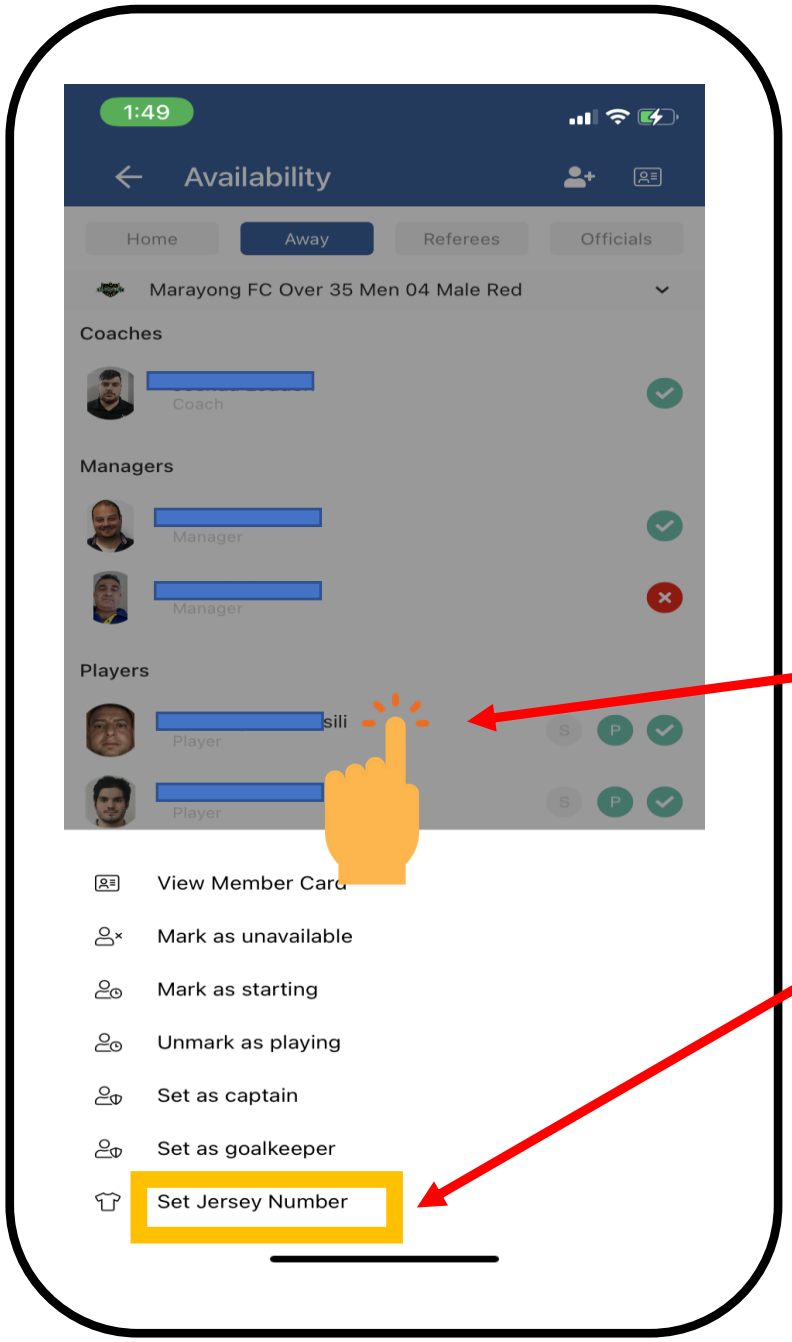
Once the team sheet is open, you click on the red “X” next to each player/coach/manager who is attending that day and “X” will turn into a green tick. Once That’s done, you then click on the “P” next to the “X” to indicate that the player is playing that game.

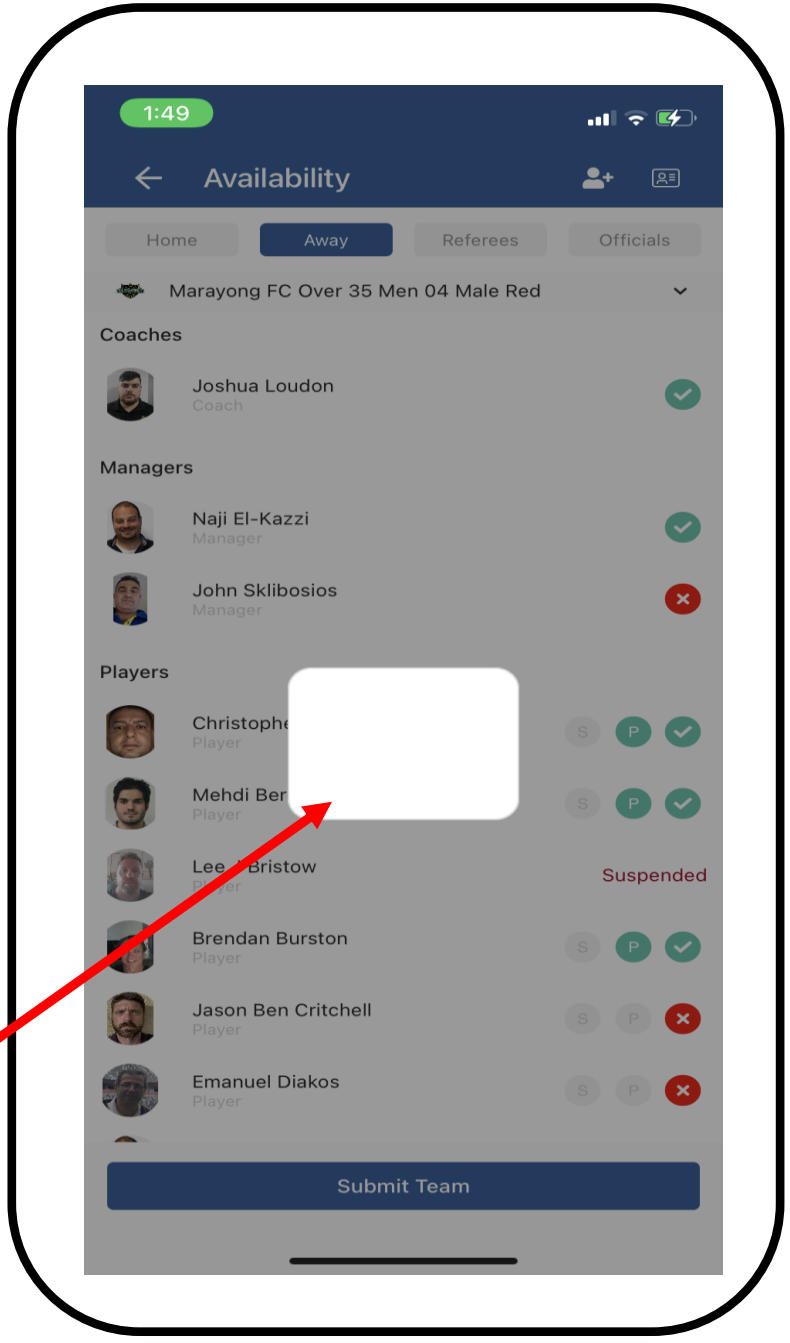
There is an “S” next to the “P”, please ignore that as it only applies to Premiere League



ENTERING JERSEY NUMBERS

Once you have selected all your available players, you now need to enter each players Jersey number. You simply click and hold down your finger on a player's name until a pop-up menu appears at the bottom, from there you select “Set Jersey Number” Once this is done a white box will appear for you to enter that players jersey number

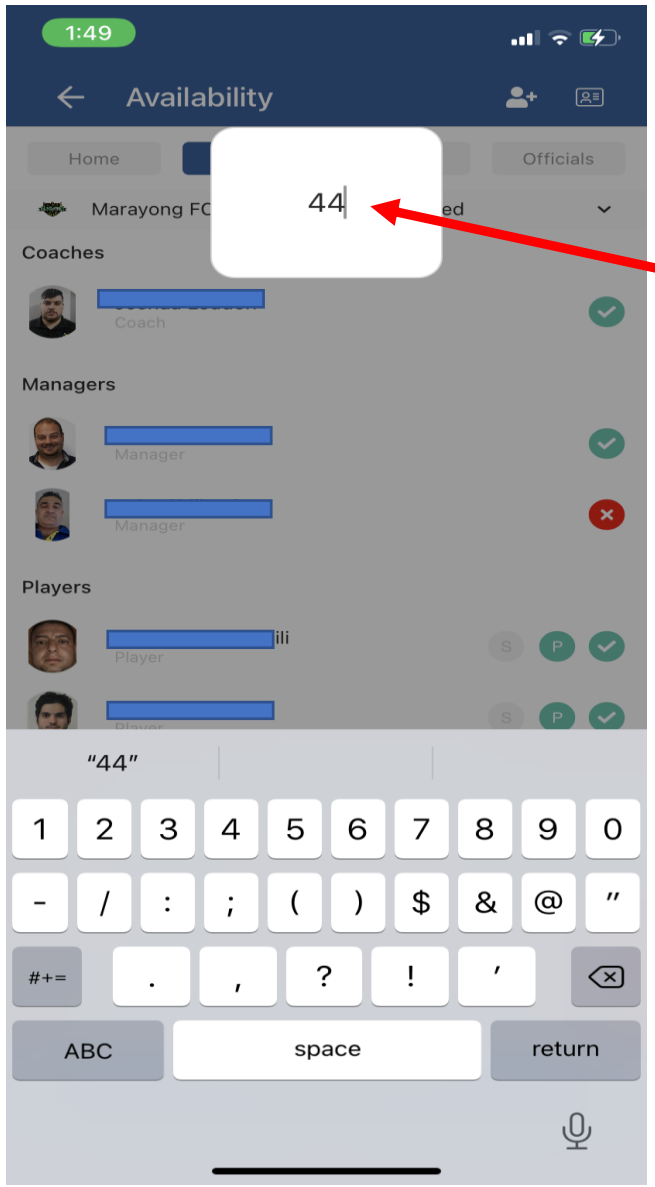


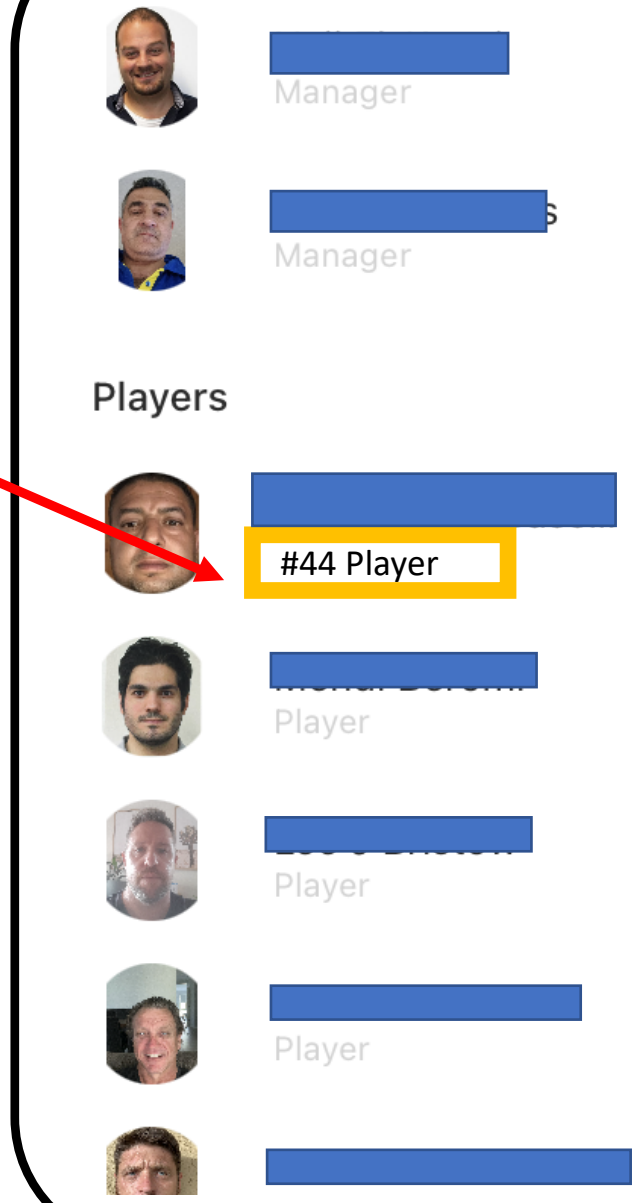


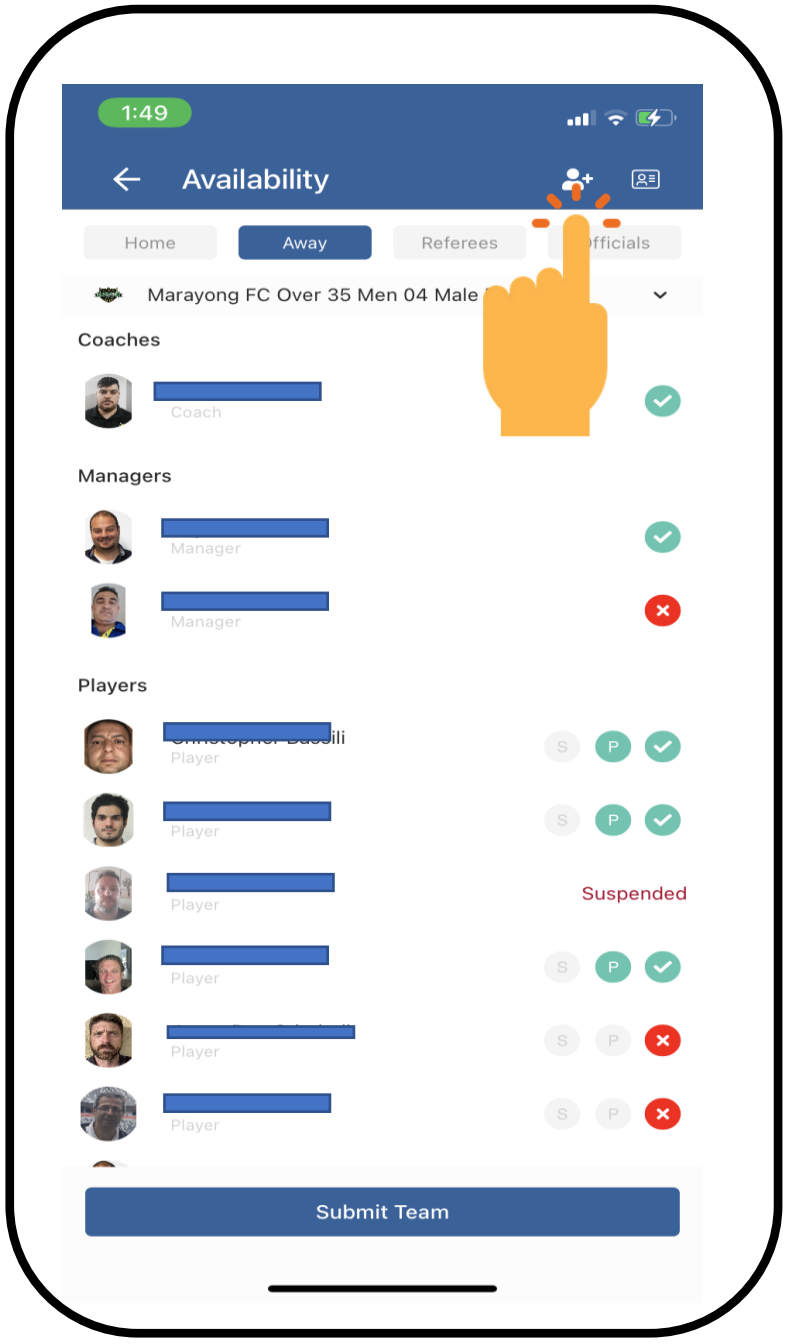
ENTERING JERSEY NUMBERS

Once you enter the players number and submit, it will appear under the players' name

Please note that this only has to be done once and the system will remember the players allocated jersey number for the remainder of the season

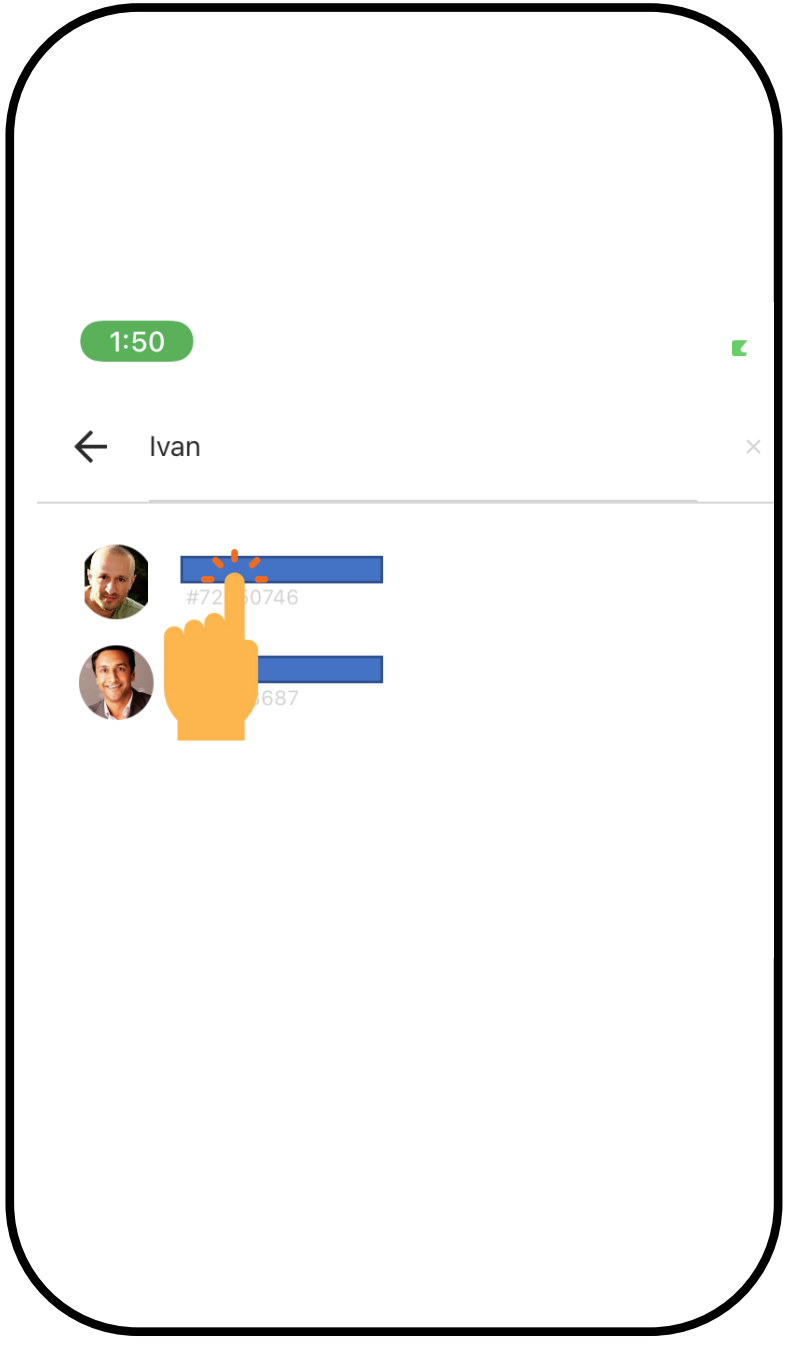


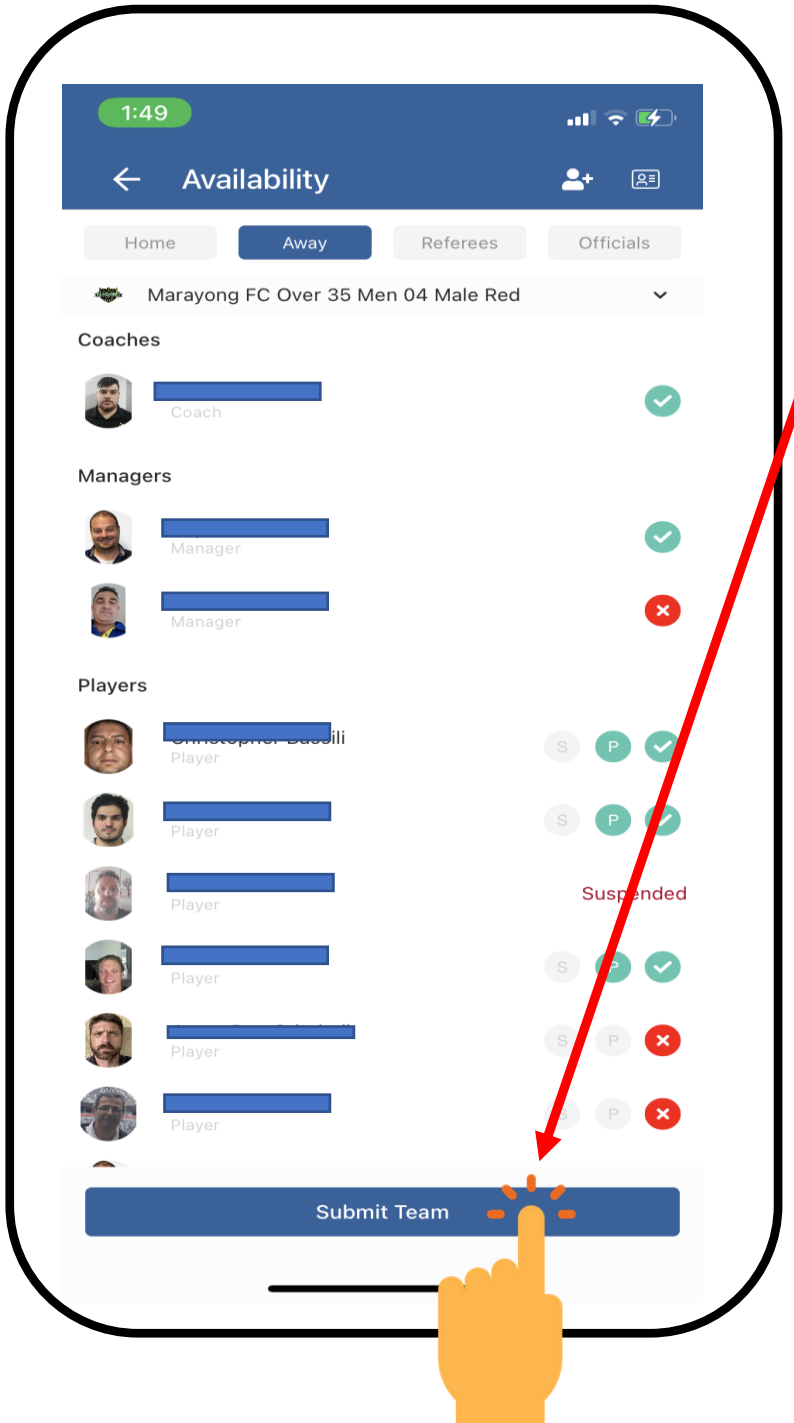




BORROWING PLAYERS

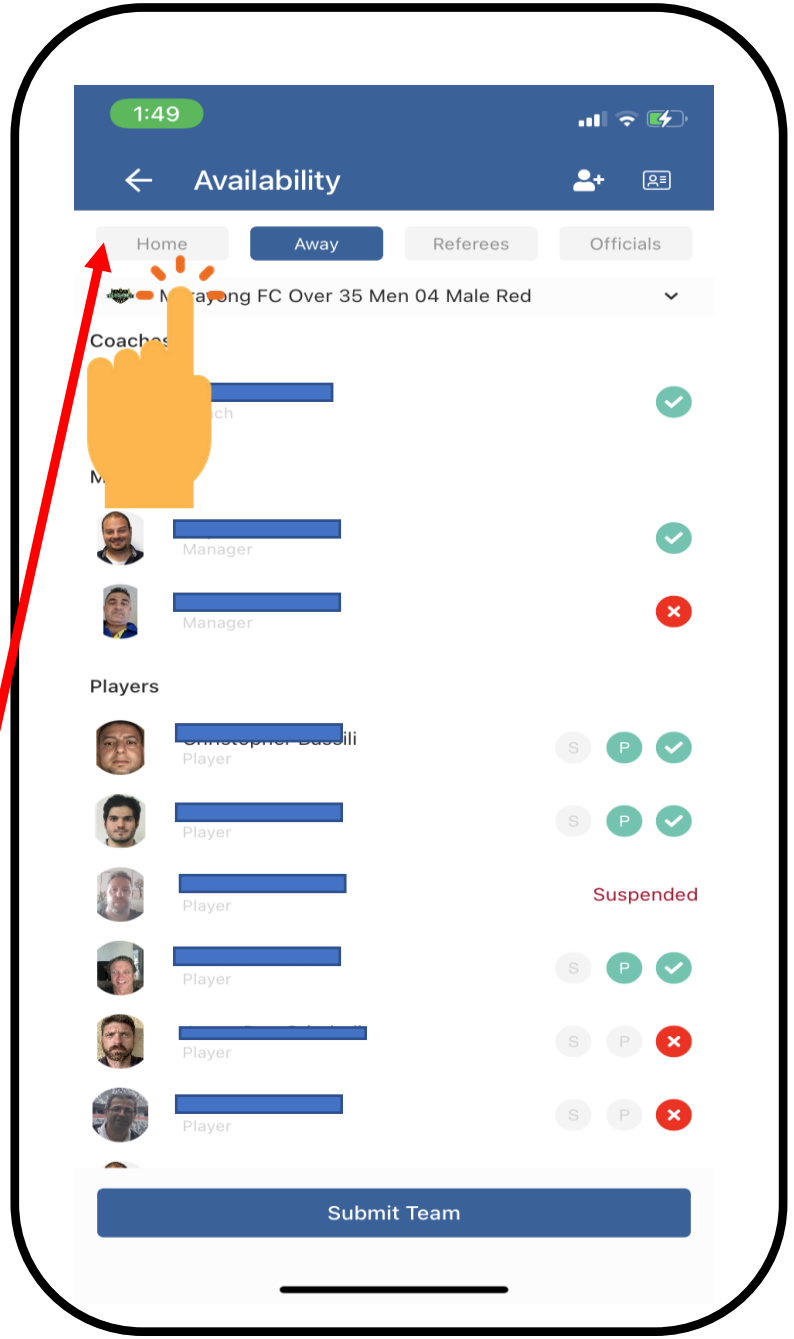
If you need to borrow players from another team, you simply click the little icon in the top right corner and once the search page opens you just enter the first few letters of that players name. If the player is eligible to play for your team, then his players card will appear. From there you just click on the player, and they will be added to your team sheet . You will also need to add a jersey number for this player



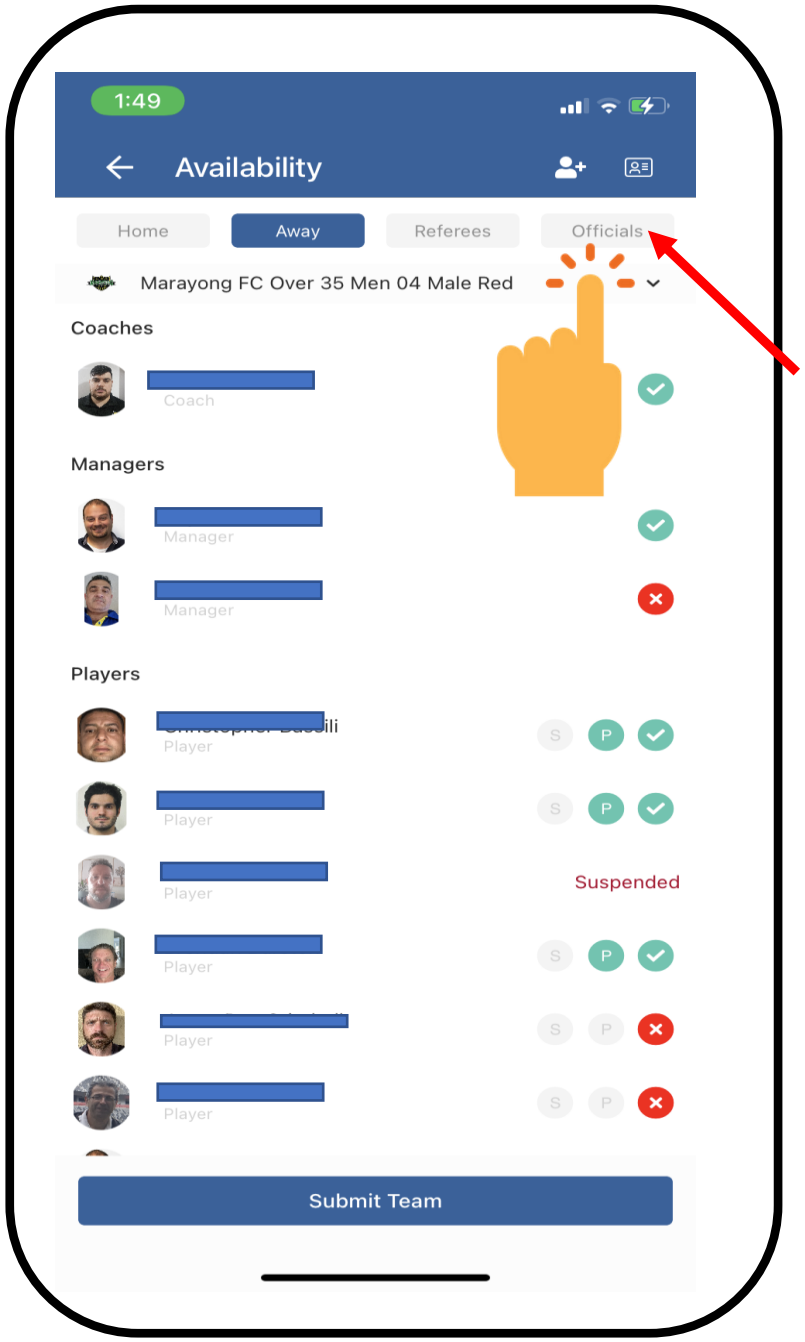


Once you have completed your team sheet you just press submit and you are good to go.

Now you need to review the opponents team sheet to ensure that the players that are taking the field are actually on their team sheet. click on **“home team” tab** and review the players submitted, if you are happy, you just click the approve button at the bottom of their team sheet



FINAL STEP – MATCH OFFICIALS



Every team must enter team official for each game, you now click on the “Officials: tab to do so, once its open you click on “add official” and add ground official and/or Matchday supervisor.

Matchday supervisor is only required at home games and is provided by the club, their name is available at the canteen.

Ground official is required at all games, this can be a parent and you must give them your allocated orange vest that comes in your training kit. They must wear this vest and ensure the **Marayong** spectators are behaving
